

# MYSTIC RIVER PRESS

Serve!, Inc., a nonprofit relief organization, has been very busy in 2014 packaging federal disaster packages to meet the increased demand for assistance. A grant from the Groton Wal-Mart made it possible for Serve! to expand its assistance to match the increase needs. Half of its packages go to neighborhood lockers in the New London and Washington Counties. The other half are on hand to meet storm and natural disaster demands. Above, Rosemary Riley of Stonington, Robin Goodwin of Westerly and Jane Martley of Mystic tend to another package. | ( Courtesy Serve! )
